appeared togother with that of another Russian in the cardinader of German agents held by KAPPLER. Norked for KAPPLER in 1940. He (or possibly the other Russian) reported at one times in 1940 that he had overheard a conversation between two American diplomats, one of whom was the Naval attrohe, in the Birreria Albrecht. The conversation concerned an impossing attempt on the life of MUSSOLINI who, at the time, was due back from a visit to some foreign Chief of State.

16. ALEXEJEFF reported this to ZDAFR who forwarded the information to BISMARCK who in turn gave it to the Italian police. By transmitting the information in this way, ZDAFR not only blew his source, but also made it clear to the Italian police that he himself was working an intelligence not ork in Rome contrary to the Rome-Borlin pact. The information should have been transmitted to RSHA headquarters. Because of this slip, ZHMER was recalled to Berlin, and it was only due to the intervention of an influential uncle of his that he was not sacked completely.

204. MILAN: "GIORGIO". Former SIM Captain who had made valuable economic reports on Allied occupied ITALY for ZIMMER in Milan who forwarded them in rough translation. At Verona HUEGEL made the proposal to nut a net at his disposal, but "GIORGIG" said that he would prefer to work alone with his brother.

282. Hans Joachim ROET CHER. Came to Italy in 1940 on a secret mission from Amt VI, RSHA. Worked first under GROEBL, then under ZIMMER, then independently."
